Report Comments

Dear Anastasiia,

This is your Student Questionnaire on Courses and Teaching (SQCT) feedback report.

Please note that, as per the new Faculty Collective Agreement, means, standard deviations, and medians are no longer provided for student ratings in the SQCT Results Reports. [There are several resources available](#) to help with the interpretation of the ratings and student comments.

Reports that include the means, standard deviations, and medians are available to individual faculty members by request from feedback@uwo.ca

If an instructor receives a comment that they believe is offensive and wishes to report that comment, they are asked to do so using the new [SQCT Comment Review tool](#) in the Faculty/Staff Extranet. If the comment raises concerns regarding faculty or student safety, Western Special Constable Service should be notified immediately.

Historically, offensive comments, such as those that violate the Student Code of Conduct (e.g., discriminatory, harassing, threatening), have been rare at Western.

If you have any questions about the Feedback SQCT online system or the feedback results report, please contact feedback@uwo.ca.

Sincerely,

Feedback Team
Western University

Comments

Very good professor, just need to control the time for this course. It's painful to go to the next course which needs to cross the campus when the first course is finished about 5 min late.

She is a good Professor, I enjoyed her class, she is really nice. The exam is organized, I just feel like it's be better if the final exam took less percentage. Cause 50% for final is so stressed for us during the final period. I suggest give some percent into assignment or attendance.

Suvorova is a really great professor!! love her
